In separate communications June 20 and July 5, EconOffs delivered the U.S. positions described in reftels to Barbara Trincado, Chief of the International Relations section at Ministry of Public Work's Civil Aviation Directorate. Trincado indicated to EconOff July 5 that Spain did not have a formal position with respect to reftel demarches. She assured EmbOff that she will contact the Embassy in the upcoming weeks should Spain develop a position. Post will follow up to seek input prior to the September meeting.
